About the Forum of International Respiratory Societies (FIRS)

[The Forum of International Respiratory Societies](#) (FIRS) is an organisation comprised of the world's leading international respiratory societies working together to improve lung health globally: [American College of Chest Physicians](#) (CHEST), [American Thoracic Society](#) (ATS), [Asian Pacific Society of Respirology](#) (APSR), [Asociación Latino Americana De Tórax](#) (ALAT), [European Respiratory Society](#) (ERS), [International Union Against Tuberculosis and Lung Diseases](#) (The Union), [Pan African Thoracic Society](#) (PATS), [Global Initiative for Asthma](#) (GINA), and the [Global Initiative for Chronic Obstructive Lung Disease](#) (GOLD).

The goal of FIRS is to unify and enhance efforts to improve lung health through the combined work of the world respiratory health organisations, professionals and their patients.

For more information about FIRS please contact Lisa Roscoe lisa.roscoe@firsnet.org.
